

## **MIREILLE AZAR**

[Miraazar76@hotmail.com](mailto:Miraazar76@hotmail.com) (updated January ,2013)

**Birthplace:** Lebanon

**Birth Date:** 07-19-1976

**Gender:** Female

**Marital status:** Single

**Contact Address:** Clemencau Medical Center

P.O.Box: 11-2555

Beirut – Lebanon

Phone 961 1 372 888                      Ext. 1353/1334

Fax: 961 1 364 464

Pager # 260

Mobile: 961 3 708712

### **Medical Education**

April 2011-July 2012: Master Hospital Management (Ecoles superieures des affaires)

2012: diploma in loco-regional anesthesia (Renne university france and Lebanese university)

June 2006-June 2007: Diploma in Cardiothoracic Anesthesia at the American University of Beirut –Medical Center

June 2002-June 2006: Diploma in Anesthesia at the American University of Beirut-Medical Center.

June 2001- June 2002 : Rotating internship

October 1994-June 2001: Doctor of Medicine Diploma at the Faculty of Medical Sciences, Lebanese University.

### **Medical School honors**

Thesis entitled: “testicular lymphoma” approved by the Lebanese University- Faculty of Medical Sciences in 2001

### **Training & Professional Experience:**

## **Elective rotations**

- February 5-10, 2007: Tenth Annual Comprehensive Review and Update Of Perioperative Transesophageal Echocardiography at San Diego- California - United States
- May 27, 2006-June 19, 2006:cardiac anesthesia At Yale New Haven Hospital- Connecticut - United States

## **Residency**

-June 2006 – June 2007 :  
Fellowship in Cardiothoracic Anesthesia at AUB-MC

-June 2002 - to June 2006:  
Residency training in clinical anesthesiology at AUB-MC, rotating in the different subspecialties: General surgery, ENT, Cardiac and Thoracic Anesthesia, Neuroanesthesia, Obstetric Anesthesia, Pediatric Anesthesia, Regional Anesthesia, Anesthesia outside the operating room, Pain Management, Critical Care Medicine.

-June 2001-2002  
Rotating internship at Baabda Hospital

## **Internship**

- June 1999 – June 2001  
2 years internship as part of the medical training & education, rotating in different specialties of Internal Medicine, Surgery, Pediatrics, Emergency & Critical Care Medicine, at

- St Georges Hospital -Beirut
- Sacre-coeur Hospital-Mount Lebanon
- Rizk Hospital – Beirut

## **GRAND ROUNDS & CASE PRESENTATIONS:**

- Inhalation anesthetic agents (2002)
- Acute Coronary Syndrome (2002)
- Marcaine toxicity and regional anesthesia (2003)
- Muscle Relaxants and pharmacology (2003)
- Neuromuscular monitoring (2004)
- Anaphylactic reaction and hydatid cyst surgery (2004)
- Improving patient comfort and outcome of surgery: multi-modal approach to postoperative analgesia (2005)
- Remifentanyl: pharmacokinetics, pharmacodynamics and application in the critically ill patients (2006)
- Acute and perioperative pain(2006)

- Difficult weaning from cardiopulmonary bypass (2006)
- Perioperative Transesophageal echocardiography (2007)
- Anesthetic management of Ascending Aortic Aneurysm repair (2007)
- Congenital heart disease in the Perioperative period (2007)
- Sagittal craniosynostosis and anesthetic consideration(2010)
- Basic of ultrasound for regional anesthesia (2011)
- Neuro-muscular monitoring (2011)

## **Journal club**

- Low serum Magnesium level predicts major adverse cardiac events after coronary artery bypass graft surgery (2003)
- Small dose ketamine infusion improves postoperative analgesia and rehabilitation after total knee arthroplasty (2005)
- Anaphylaxis and Latex allergy (2009)

## **Congress attendance:**

- Lebanese Society of Anesthesiologists “Remifentanil - the dawn of a new era” -2002
- Lebanese Society of Anesthesiologists, 12 congress-June 2003-Movempick Hotel
- Lebanese Society of Anesthesiologists, 13 congress-November 2004 –Metropolitan Palace Hotel
- Lebanese Society of Anesthesiologists, 14 congress-2005-Metropolitan Palace Hotel
- Lebanese Society Of Anesthesiologists ,16 Congress-June 2008-Habtoor Grand Hotel
- Women’s Health Symposium, October 2008,CMC
- Lebanese Society of Anesthesiologists, 2009-Bristol Hotel
- 42 Middle East Medical Assembly ,April 2009- AUB
- First Middle East Congress on Echocardiography, October 2009-Metropolitan Palace Hotel
- How to get started in live 3D , October 2009- Metropolitan Palace Hotel (training course)
- Perfectionnement en anesthesie loco-regionale –Paris –Nancy 2009
- Lebanese Society of Critical Care Medicine, 4 congress-November 2010 -Movempick Hotel
- Congres National d’Anesthesie et de Reanimation, September 2010- Palais Des Congres –France
- Lebanese Society of Anesthesiologists, 2010-Bristol Hotel
- Lebanese Society of Anesthesiologists, 2011
- Training in Locoregional anesthesia- Germany 2011- New Ulm
- Lebanese Society of Anesthesiologists, 2012-Metropolitan Hotel

## **Publications**

## **Publications**

## **Publications**

- 1) Haloperidol versus Ondansetron for the prevention of postoperative nausea and vomiting following gynecological surgery. Aouad M.T, Siddik S.S, Taha S.K, **Azar M.S**, Nasr V.G, Hakki M.A, Zoorob D.G, Baraka A.S. European Journal of Anesthesia, August 2007,24:171-8.
- 2) Does Ondansetron or Granisetron prevent Subarachnoid Morphine-induced Pruritis after Cesarean Delivery? Siddik S, Aouad M, Taha S, **Azar M.S**, Hakki , M, Kaddoum R, Nasr V, Yazbek V, Baraka A. Anesthesia and Analgesia, February 2007;104(2);421-4.
- 3) Jabbour-Khoury SI, Dabbous AS, Gerges FJ, **Azar M.S**, Ayoub CM, Khoury GS. Intraperitoneal and intravenous routes for pain relief in laparoscopic cholecystectomy. JSLS. 2005 Jul-Sep;9(3):316-21.
- 4) Muallem MK, **Azar M.S**, Gerges FJ, Nasr VG, Baraka AS. Muallem endotracheal tube introducer (METI): An aid for difficult airway. Middle East J Anesthesiol. 2005 June; 18(2)
- 5) Siddik-Sayyed SM, Taha SK, Azar MS, Hakki MA, Yaman RA, Baraka AS, Aouad MT :Comparison of three different doses of epidural fentanyl followed by bupivacaine and fentanyl for labor analgesia .Acta Anaesthesiol Scand.2008 oct; 52(9):1285-90
- 6) Ayoub CM, Sfeir PM, Bou-Khalil P, Azar MS, Haddadin AS, Harfoush D, Nasr VG, El-Khatib MF : Prophylactic Amiodarone versus Lidocaine for prevention of reperfusion Ventricular fibrillation after release of aortic cross-clamping .Eur J. Anaesthesiol.2009 Dec; 26(12) ; 1056-60.

## **Research experience**

- 1) Alcohol spray versus intradermal lidocaine for pain relief during intravenous cannulation

- 2) Comparison of posterior beveled endotracheal tube to the conical tube through the intubating laryngeal mask airway in patients undergoing general anesthesia

### **Memberships & Licenses**

Member of the Lebanese order of physicians since July 2005

### **Language fluency**

English, French, & Arabic (written & spoken fluently)

### **Hobbies & Interests**

Volleyball, Horse Riding
